**POLICIES AND PRACTICES OF CULTURAL TOURISM IN EUROPE:
Public presentations and discussions in Vienna on 1st December 2022**

<http://www.spotprojecth2020.eu/>

INVITATION to all professionals and scholars of Cultural Tourism in Europe and beyond

Herewith we are happy to draw your attention to the public presentation of the main outcomes of the international research project **SPOT** (www.spotprojecth2020.eu). This project was implemented in 2020-2022 in 13 EU-countries, as well as in the UK (Scotland) and Israel, and funded through the Horizon 2020 program of the European Commission.

If you are committed to the organisation and promotion of **Cultural Tourism**, studies of **cultural landscapes and heritage**, political and social implications and the related business issues, such as **local and regional development** – you should not miss the public presentation of the outcomes and the discussion of practical recommendations of the SPOT-project!

The event takes place on **Thursday 01 December 2022** at the premises of the Conference Centre of the **EUROPAHAUS** (Linzer Straße 429, Vienna 1140 www.europahauswien.at) starting at 9:00 am – see the program details on the next page.

We expect the participation of 100 to 150 guests, including the members of the international **SPOT-project** consortium and external stakeholders coming from tourism business, research organisations and universities, professional and social media, as well as administrative and policy-making bodies.

The participation in the event is **free of charge**. Preliminary registration is required at [HERE](#).

Eventual co-sponsors are welcome – please contact the organizers to discuss the options by email: milada.stastna@mendelu.cz and/or chvorostov@gmail.com.

Journalists and representatives of media are especially invited. A press release and background information will be available at request. Besides, there will be a special time slot devoted to a press conference for journalists and representatives of social media.

In addition, the **SPOT** final event **on-site exhibition** offers:

- Project posters and selected handouts of project outcomes (Policy Briefs, recommendations, leaflets, etc.)
- Graphic and multimedia presentations of
 - Project case-studies
 - SPOT-IT innovative tool (a GIS-based platform to support the tourism development per location)
- Presentations and handouts of sponsors, stakeholders and further external partners

SPOT-project team is looking forward to welcoming you at our final project event!

Sincerely,
Project Coordinator
Prof. Milada Štátná

About the project

Europe is a key cultural tourism destination thanks to a remarkable cultural heritage that includes museums, theatres, archaeological sites, historical cities and industrial sites as well as music and gastronomy. The project provides an innovative response to recent problems by understanding cultural tourism across very different regions and countries and by integrating stakeholders and policy actors into the project and in feeding back to them the results. The SPOT project addresses the knowledge gaps by expanding and developing the idea of cultural tourism.
